

Assistant Director, Reports and Estimates

8 February 1949

Chief, Map Branch, OEE

Consultation on Cartography at Buenos Aires.

1. Attached are two copies with enclosures of a brief report on my observations at the Fourth Pan American Consultation on Cartography held in Buenos Aires in October-November, 1948.

2. The documentary material relating to this conference arrived by steamer only a short time ago and, therefore, the preparation of this report has been delayed. Shortly after my return, however, I did discuss certain aspects of the trip with appropriate officials.

3. Since I attended this Consultation in the capacity of an [REDACTED] I am submitting a copy of this report directly [REDACTED] for forwarding to Mr. Armstrong.
